

**2008 BULLET BASEBALL
SPONSORSHIP FORM**
www.bulletbaseball.com

Bullet Baseball is a travel tournament baseball organization. The Bullets have been around for seven years. In the past six years we have won six State Championship titles, three State runner-up titles, one World Championship, and two third place finishes at Nationals.

2008 will be another great year for Bullet Baseball fielding seven teams from eight to fourteen years of age. Our goal is to give boys in the Lake Area the opportunity to play at the highest level of competition and prepare them for high school baseball as well as being outstanding young men in society. This would not be possible without the support of the community and local businesses.
